

For Immediate Release- 09/01/10

Residents of Varsity say goodbye to Calgary landmark, The Inn on Crowchild.

**The Inn has seen its last days and will be torn down for the creation of the new
“Groves of Varsity” development.**

Calgary, Alberta (Statesman Developments) September 11th & 12th, 2010 –Current and past residents of Varsity will meet on September 11th and 12th to say their goodbyes to The Inn on Crowchild. After over 40 years, the Inn will be replaced by the new development from Statesman, “The Groves of Varsity.”

The farewell party will be held for anyone that would like to come down to reminisce of fond memories of their younger years and their many meetings at Uncle Eddie’s Bar.

The new Groves of Varsity development will invigorate the area and provide valuable resources to Varsity residents including feature executive style condominiums, medical/professional offices, a pharmacy and a Manor Village Life Centre Senior’s Community.

The many environmental qualities that The Groves of Varsity offers allow owners to make a sound investment. Items such as energy-efficient heating systems, use of environmentally friendly concrete and low H2O flush toilets (to name a few,) allow for owners to have a sense of pride and well-being knowing that their home has a reduced impact on the environment. These also benefit reduce electrical bills and have a positive effect on indoor air quality.

Owners will have access to The Groves Bistro (offering fresh and delicious cuisine,) a world-class health club and a wave resistant pool allowing for an active and healthy lifestyle.
